

Tamworth Genealogy Group was formed in 2023. The initial members were all part of a previous group that met in Tamworth. Following a drop in numbers and the pandemic, its Committee decided to discontinue its meetings at the start of 2022.

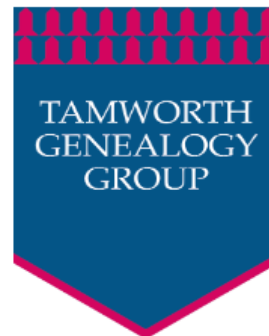

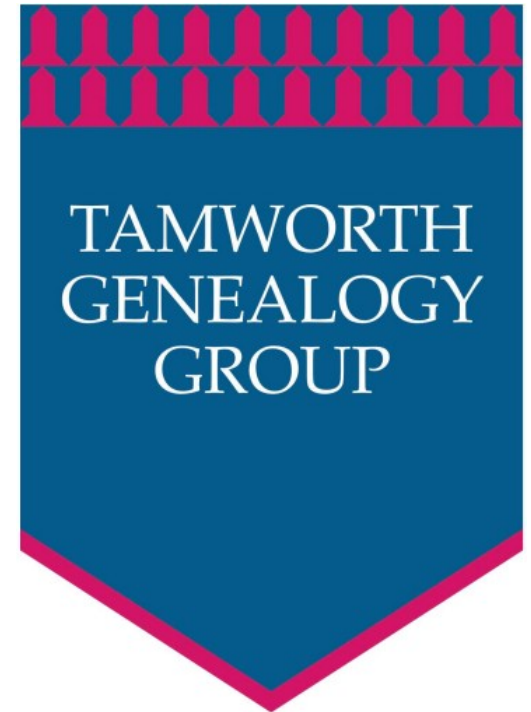

A small group of members missed meeting with others to share their interest in family history or local history research, as well as being able to chat over what they had discovered and brainstorm any problems or brickwalls that they had. So it was decided that they would form a new informal group for this purpose.

The first meetings were held at Tamworth Library but unfortunately, due to the refurbishment of the Library and lack of space at the temporary library it was necessary to find an alternative venue for meetings. A new venue was secured which will hopefully enable the group to grow.

The group would welcome new members who are interested in beginning to research their families, houses, people or properties of interest to them but need help to get started, require help to possibly solve a problem or brickwall or just would like the company of people who share their interest, as well as carrying out a little research. No membership is required.

It must be noted that we are not professional genealogists, just enthusiastic amateurs. We do not carry out research on behalf of others but are willing to share our combined knowledge and experience with like minded people in a friendly, welcoming manner.

Where we Meet?

If you would like to come along to one of our meetings please e-mail info@tamworthgenealogy.org.uk for further details of the venues and to make arrangements for someone to greet you on the day.

When do we Meet?

2nd Thursday of month in the afternoon

Times

2 p.m. to 4 p.m.

Last Monday of month in the evening.

Times

7 p.m. to 9 p.m.

The purpose of the group is to give attendees the opportunity to meet others with a similar interest whilst carrying out research into their family, house or local history.

It is a new group with a small but friendly membership.

The aims of the group are:-

- To assist those who want to begin researching but do not know how to start
- To enable discussions with fellow researchers with regard to brickwalls, alternative websites, different research resources/methods and enable access to various research resources and information
- To meet fellow researchers in a sociable friendly atmosphere

No Membership is required

Come along and give us a try. You will need to bring along with you:-

A laptop/tablet - We have access to a good WiFi connection to enable you to log on to your preferred research provider but this is not secure so it is at your discretion.

Your research notes on which you are currently working

If you are new to researching we can provide you with a chart to complete (prior to the meeting) to enable you to bring along some basic information on which we can assist you in getting started

**WE LOOK FORWARD TO
MEETING YOU**
